Confirm size, colour, price and included items.

Cream curved-arm loveseat

MC-01

Sweeping arms and a gently channelled back give this cream loveseat its inviting shape.

IDEAL SETTING

Conversation corners and a welcoming sitting room. Pair with a small round table and warm neutral textiles.

Curved arms

Channelled back

Enquire on WhatsApp with MC-09 and your town.

Confirm size, colour, price and included items.

Teal channel sofa

MC - 09

Continuous channels wrap from back to seat, giving the rich teal upholstery a sculptural rhythm.

IDEAL SETTING

A colour-led living room or creative sitting space. Balance the teal with light walls and natural wood.

Continuous channels

Rounded arms

Enquire on WhatsApp with MC-08 and your town.

Confirm size, colour, price and included items.

Cream corner sofa

MC - 08

An open corner arrangement creates a generous place for conversation, with pale upholstery that welcomes your favourite accent colours.

IDEAL SETTING

Family conversation and defining a seating zone in an open-plan room. Check both wall lengths before choosing your layout.

Loose cushions

Metal feet

Enquire on WhatsApp with MC-24 and your town.

Confirm size, colour, price and included items.

Blue tufted chaise sofa

MC - 24

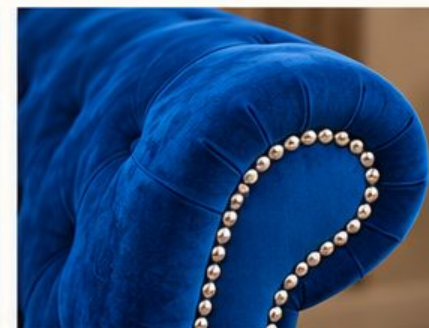

Deep blue upholstery, a tufted back and an extended chaise make a distinctive centrepiece for your living room.

IDEAL SETTING

A lounge centred on relaxing and entertaining. Leave a clear walkway around the chaise and repeat blue in a small accent.

Tufted back

Studded arms

Enquire on WhatsApp with MC-17 and your town.

Confirm size, colour, price and included items.

Grey chaise sofa

MC - 17

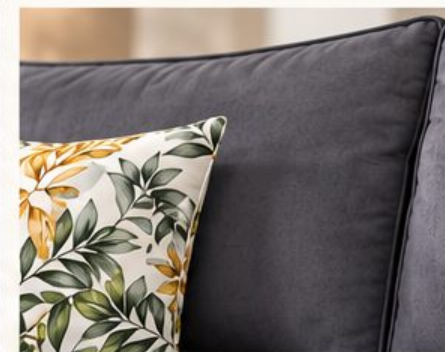

A broad chaise and simple grey upholstery create an easy setting for quiet evenings and lively weekends.

IDEAL SETTING

Everyday lounging and relaxed evenings. Layer with a textured rug and keep the chaise clear of doorways.

Broad chaise

Loose back cushions

Enquire on WhatsApp with MC-35 and your town.

Confirm size, colour, price and included items.

Grey tufted corner sofa

MC - 35

Button detailing traces the back and base, bringing a classic finish to a generous corner arrangement.

IDEAL SETTING

Hosting and a formal living room with generous corner seating. Use a quiet rug to let the button detailing stand out.

Button detailing

Metal feet

Enquire on WhatsApp with MC-04 and your town.

Confirm size, colour, price and included items.

Grey contrast-arm loveseat

MC-04

Layered grey arms meet dark side panels and metallic accents in a compact statement piece.

IDEAL SETTING

A secondary sitting area or a coordinated lounge. Echo the dark arm panels in a side table or lamp.

Layered arms

Metal accents

Enquire on WhatsApp with MC-27 and your town.

Confirm size, colour, price and included items.

Cream tufted loveseat

MC - 27

Button detailing flows across the back and seat, giving the pale upholstery depth and character.

IDEAL SETTING

An elegant conversation nook or bedroom sitting area. Pair with simple accessories so the tufting remains the focus.

Tufted seat

Enveloping back

Enquire on WhatsApp with MC-06 and your town.

Confirm size, colour, price and included items.

Orange channel sofa

MC - 06

Warm orange upholstery and flowing vertical channels give this sofa a confident, playful presence.

IDEAL SETTING

A lively living room that needs a warm focal point. Ground the orange with cream textiles and natural wood.

Vertical channels

Rounded profile

Enquire on WhatsApp with MC-15 and your town.

Confirm size, colour, price and included items.

Blue-grey ornate-arm loveseat

MC-15

Decorative scroll arms and a gathered lower edge give this blue-grey loveseat a distinctively traditional character.

IDEAL SETTING

A traditionally styled lounge or formal sitting room. Pair the scroll arms with warm lighting and restrained accessories.

Scroll arms

Padded back

Enquire on WhatsApp with MC-22 and your town.

Confirm size, colour, price and included items.

Grey nailhead loveseat

MC-22

A neat line of studs follows the rolled arms, framing the grey upholstery and loose seat cushions.

IDEAL SETTING

A conversational living room or a welcoming sitting area. Add a plain rug to balance the studded detailing.

Rolled arms

Loose seat cushions

Enquire on WhatsApp with MC-30 and your town.

Confirm size, colour, price and included items.

Dark two-seat sofa

MC - 30

Generous padded arms and a divided back give this dark two-seat design its relaxed appearance.

IDEAL SETTING

A TV lounge or relaxed two-person sitting area. Plan side-table space beside the padded arms.

Padded arms

Divided back

Enquire on WhatsApp with MC-18 and your town.

Confirm size, colour, price and included items.

Dark corner sofa

MC-18

A wraparound arrangement and generously padded sections create a substantial focal point for the room.

IDEAL SETTING

A family living room arranged around conversation or a screen. Measure the corner and keep access routes open.

Padded sections

Wraparound layout

Enquire on WhatsApp with MC-40 and your town.

Confirm size, colour, price and included items.

Dark sofa and chair suite

MC-40

Coordinating seats and pale piping bring a shared design language to your living space.

IDEAL SETTING

A coordinated lounge with separate seats for conversation. Arrange around a central table while preserving walkways.

High backs

Contrast piping

Enquire on WhatsApp with MC-14 and your town.

Confirm size, colour, price and included items.

Grey tufted L-shaped sofa

MC - 14

A tufted surround and extended chaise combine a classic decorative finish with a laid-back arrangement.

IDEAL SETTING

A living room that combines entertaining and lounging. Let the tufted silhouette lead and keep nearby accessories simple.

Tufted surround

Extended chaise

Enquire on WhatsApp with MC-03 and your town.

Confirm size, colour, price and included items.

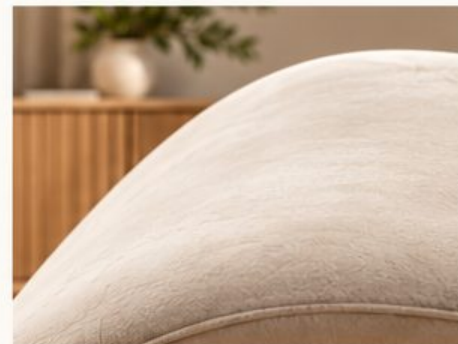

Cream sculptural lounger

MC-03

A flowing wave profile turns this pale upholstered lounger into a sculptural accent for your room.

IDEAL SETTING

A reading retreat or statement corner. Place beside a floor lamp and allow space around the flowing profile.

Wave profile

Piped outline

Enquire on WhatsApp with MC-38 and your town.

Confirm size, colour, price and included items.

Mustard tub chairs

MC - 38

Rounded backs and mustard upholstery bring warmth to a reading corner or a conversational pair.

IDEAL SETTING

A paired conversation corner or a warm reading nook. Set a small table between the chairs.

Rounded backs

Loose seat pads

Enquire on WhatsApp with MC-37 and your town.

Confirm size, colour, price and included items.

Orange scalloped accent chair

MC-37

A petal-like back and bright orange upholstery give this accent chair a playful silhouette.

IDEAL SETTING

A colour accent for a bedroom or living room. Pair with neutral surroundings to highlight the scalloped silhouette.

Scalloped back

Rounded seat

Enquire on WhatsApp with MC-41 and your town.

Confirm size, colour, price and included items.

Dark brown tub chairs

MC-41

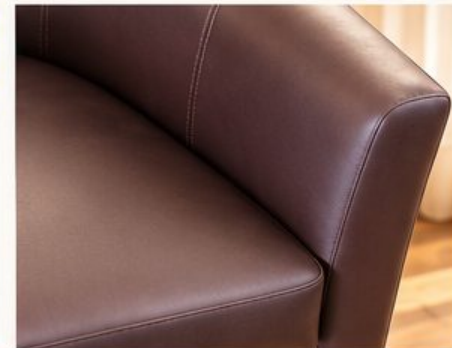

Curved backs and clean seat shapes give these dark brown chairs an understated, welcoming presence.

IDEAL SETTING

A quiet conversation area or study corner. Pair with a warm timber table and focused lighting.

Curved backs

Clean seat shapes

Enquire on WhatsApp with MC-23 and your town.

Confirm size, colour, price and included items.

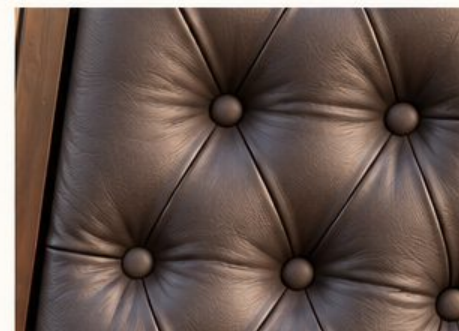

Dark tufted dining chairs

MC - 23

Tall buttoned backs and dark frames bring a formal finish to a dining setting.

IDEAL SETTING

A formal dining room or a dressed dining setting. Confirm seat height and clearance against your table.

Tall backs

Dark frames

Enquire on WhatsApp with MC-13 and your town.

Confirm size, colour, price and included items.

Mustard tufted wing chair

MC-13

A high winged back, deep buttoning and studded edges give this mustard chair its distinctive presence.

IDEAL SETTING

A reading corner or traditional sitting room. Add a floor lamp and a small table within easy reach.

Deep buttoning

Studded edges

Enquire on WhatsApp with MC-21 and your town.

Confirm size, colour, price and included items.
Bedding is for styling.

Pale scalloped bed

MC - 21

A shell-inspired headboard rises above a channelled bed base, creating a gentle focal point for the bedroom.

IDEAL SETTING

A restful main bedroom with a soft focal point. Keep bedding simple so the scalloped outline remains visible.

Scalloped outline

Channelled base

Enquire on WhatsApp with MC-02 and your town.

Confirm size, colour, price and included items.
Bedding is for styling.

Taupe geometric headboard

MC-02

Alternating upholstered panels and gold-toned trim bring an architectural rhythm to the headboard.

IDEAL SETTING

A statement main bedroom.
Echo the gold-toned trim in lighting and use plain bedding to balance the geometry.

Geometric panels

Gold-toned trim

Enquire on WhatsApp with MC-05 and your town.

Confirm size, colour, price and included items.
Bedding is for styling.

Taupe honeycomb headboard

MC - 05

Repeating padded hexagons add dimension while the taupe palette keeps the room calm.

IDEAL SETTING

A warm neutral bedroom.
Pair with textured plain bedding so the honeycomb pattern remains the feature.

Honeycomb pattern

Padded geometry

Enquire on WhatsApp with MC-07 and your town.

Confirm size, colour, price and included items.
Bedding is for styling.

Pale honeycomb headboard

MC - 07

Pale upholstered shapes and reflective accents create a softly luminous bedroom feature.

IDEAL SETTING

A bright bedroom with reflective accents. Use soft lighting and a restrained palette around the patterned headboard.

Padded shapes

Reflective accents

Enquire on WhatsApp with MC-34 and your town.

Confirm size, colour, price and included items.
Bedding is for styling.

Grey geometric headboard

MC - 34

Interlocking rectangular panels give the grey headboard depth, texture and a composed geometric pattern.

IDEAL SETTING

A contemporary bedroom with layered texture. Pair with simple bedside furniture and plain linen.

Interlocking panels

Textured surface

Enquire on WhatsApp with MC-10 and your town.

Confirm size, colour, price and included items.
Bedding is for styling.

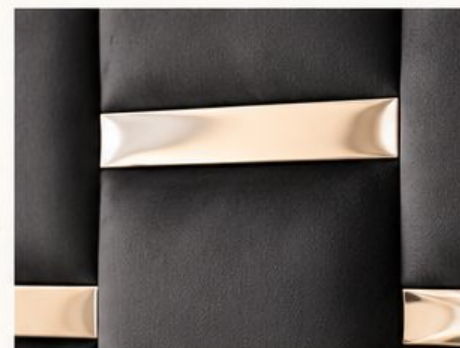

Dark geometric headboard

MC - 10

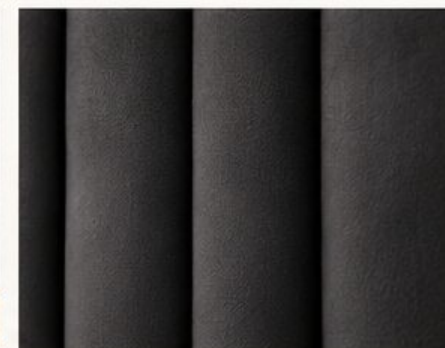

Dark upholstery and reflective horizontal accents give this geometric headboard a dramatic presence.

IDEAL SETTING

A dramatic bedroom feature wall. Balance the dark upholstery with light bedding and warm bedside lighting.

Reflective bands

Dark upholstery

Enquire on WhatsApp with MC-12 and your town.

Confirm size, colour, price and included items.
Bedding is for styling.

Pale panelled headboard

MC - 12

An extended arrangement of pale padded panels brings a quiet architectural backdrop to the bedroom.

IDEAL SETTING

A calm bedroom with an architectural backdrop. Keep bedside styling low and uncluttered.

Extended panel layout

Padded texture

Enquire on WhatsApp with MC-16 and your town.

Confirm size, colour, price and included items.
Bedding is for styling.

Pale button-tufted headboard

MC-16

Deep buttoning creates a classic diamond pattern across a generous pale upholstered headboard.

IDEAL SETTING

A classic main bedroom or a welcoming guest bedroom. Pair with plain bedding to showcase the diamond tufting.

Diamond tufting

Tall profile

Enquire on WhatsApp with MC-20 and your town.

Confirm size, colour, price and included items.
Bedding is for styling.

Pale geometric bed design

MC-20

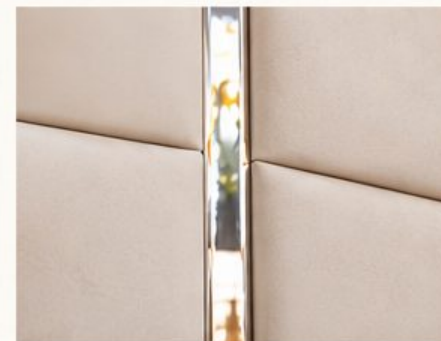

Angled upholstery panels and reflective bands create a striking headboard above a channelled bed base.

IDEAL SETTING

A coordinated main-bedroom setting. Keep the reflective bands visible and confirm the included pieces when enquiring.

Angled panels

Reflective bands

Enquire on WhatsApp with MC-29 and your town.

Confirm size, colour, price and included items.
Bedding is for styling.

Taupe and gold bed design

MC - 29

Architectural panels and warm metallic accents create a composed setting for the end of your day.

IDEAL SETTING

A statement main bedroom with warm metallic detail. Pair with simple bedding and soft, warm lighting.

Tall panels

Gold-toned accents

Enquire on WhatsApp with MC-32 and your town.

Confirm size, colour, price and included items. Bedding is for styling.

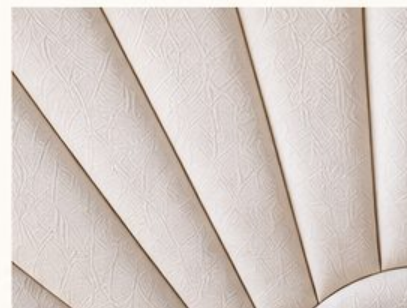

Pale sunrise headboard

MC - 32

Radiating upholstered panels rise from a curved centre, bringing a sunrise-inspired pattern to your room.

IDEAL SETTING

A light bedroom with a gentle focal point. Repeat curved shapes in accessories and keep the bedding understated.

Radiating panels

Curved centre

Enquire on WhatsApp with MC-19 and your town.

Confirm size, colour, price and included items.

Bedding is for styling.

Pink animal-ear headboard

MC - 19

A rounded pink outline, pale trim and playful ears create a charming focal point for a child's room.

IDEAL SETTING

A playful child's bedroom. Pair with soft neutrals and confirm the bed size and installation requirements.

Rounded outline

Playful ears

Enquire on WhatsApp with MC-33 and your town.

Confirm size, colour, price and included items.

Grey two-drawer bedside cabinets

MC-33

Clean fronts, slim handles and dark feet give these grey cabinets a quietly contemporary finish.

IDEAL SETTING

Everyday bedside storage in a contemporary bedroom. Check the top height against your mattress and allow drawer clearance.

Two drawers

Straight dark feet

Enquire on WhatsApp with MC-31 and your town.

Confirm size, colour, price and included items.

Grey three-drawer bedside cabinets

MC-31

Glossy grey fronts and curved handles bring a polished finish to everyday bedside storage.

IDEAL SETTING

Keeping bedside essentials organised. Pair with simple lamps and allow space for all three drawers to open.

Curved handles

Metal feet

Enquire on WhatsApp with MC-39 and your town.

Confirm size, colour, price and included items.

Cream three-drawer bedside cabinets

MC-39

Cream fronts and curved metallic handles create a light, coordinated bedside look.

IDEAL SETTING

Light, coordinated bedside storage. Repeat the cream palette in bedding and keep the tops uncluttered.

Cream fronts

Metal feet

Enquire on WhatsApp with MC-36 and your town.

Confirm size, colour, price and included items.

White open-shelf bedside cabinets

MC-36

An open shelf above two drawers keeps the design simple, with room for the items you reach for most.

IDEAL SETTING

Bedside storage with frequently used items in easy reach. Use the shelf for a book and the drawers for smaller essentials.

Open shelf

Round feet

Enquire on WhatsApp with MC-25 and your town.

Confirm size, colour, price and included items.

Pale upholstered bench

MC-25

Broad upholstered channels give this pale bench a distinctive rhythm at the end of a bed or along a wall.

IDEAL SETTING

An end-of-bed accent or dressing-area perch. Measure the available width and leave a clear route around it.

Broad channels

Upholstered sides

Enquire on WhatsApp with MC-42 and your town.

Confirm size, colour, price and included items.

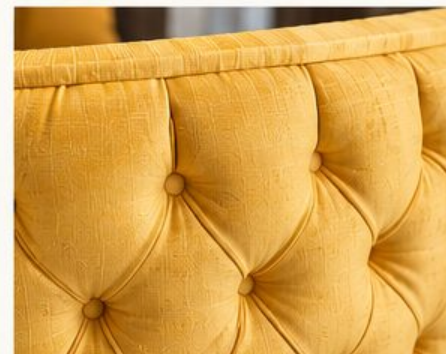

Mustard tufted occasional table

MC-42

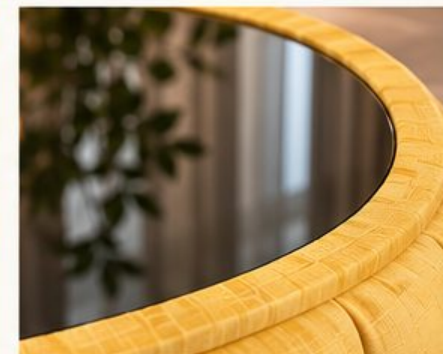

Mustard buttoned upholstery surrounds a dark reflective top, bringing colour and texture to the centre of the room.

IDEAL SETTING

A focal point between lounge seats. Repeat mustard in one small accent and leave comfortable walking space around the table.

Buttoned surround

Reflective top
